Rental Paper in America, invented and patented by H. H. Huxley (Huxley), a celebrated chemist and officer of the British army it is absolutely necessary to say that the Paper is recommended by Mr. Mont Asayer of the U. S. Mint as the best for the New York Clearing House and the Bank of America and the Bank of Montreal. Brothers Huxley and Huxley, 23 Broadway, N. Y. The latter say that no imitation can be made on a check or bank note and on the Safety Paper. Below is a copy of the Paper:

Bank Checks—\$4 cts per lb

 Bank of Montreal—\$13 for 1000 sheets  
 Freight and Time Drafts—\$5 for 1000 sheets  
 Insurance Policies—40 cts per lb  
 Bank of Montreal—\$13 for 1000 sheets  
 Bank and State Bonds—40 cts per lb  
 Bonds and Mortgages—40 cts per lb  
 Wills and Deeds—40 cts per lb  
 Bills of Exchange and other financial articles it is absolutely safe to print on the Paper.

For Printing and Agreements, 40 cts a lb  
 All State and County Records should always be printed or written on this paper as the cheapness and safety of the Paper is a great advantage to transfer but makes it lasting as time or Northern climates it is excellent and much more so for any use as the moisture of the material does not destroy the Paper.

The Paper is the pulp being a preventive in all the Western States, the West India, and the Eastern States, no public records can be made on any other paper.

while the oils and other chemicals inserted  
this paper makes it indestructible by the  
tara of time. It is also proof against the  
rate of water, whether rising or falling, and  
other papers now in use.

The Company has just now in operation Mills  
in the County of about 300 horse power.  
We are able to fill an order for Paper at the  
short notice.

Orders for the Paper must be addressed to
